HISTORY: 1st Hampton Scout Group had a long history of participating in the Hampton RSL ANZAC Day March and Service and then helping to serve & clear the 'Gunfire Breakfast' to approximately 400 people afterwards. This has now developed into a Hampton Scout Group tradition and is a great way for our youth members to provide service in their community whilst learning about the Anzac values. In the afternoon, the Scout Troop return to run a BBQ, which is a great fundraising opportunity for the Scout Group.

SERVICE: Attendance and participation at this event goes towards community service relevant to the badgework across all four sections.
